NOTES TO THE FINANCIAL STATEMENTS

For the Year ended 30 June 2019

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The directors have prepared the financial statements on the basis that the company is a non-reporting entity because there are no users dependent on general purpose financial statements. The financial statements are therefore special purpose financial statements that have been prepared in order to meet the needs of members.

The financial statements have been prepared in accordance with the significant accounting policies disclosed below, which the directors have determined are appropriate to meet the needs of members. Such accounting policies are consistent with the previous period unless stated otherwise.

The financial statements have been prepared on an accruals basis and are based on historical costs unless otherwise stated in the notes. The accounting policies that have been adopted in the preparation of the statements are as follows.

a. Income Tax

The income tax expense (income) for the year comprises current income tax expense (income). The company does not recognise deferred tax assets or liabilities.

Current income tax expense charged to profit or loss is the tax payable on taxable income and is measured at the amounts expected to be paid to (recovered from) the relevant taxation authority.

b. Inventories

Inventories are measured at the lower of cost and net realisable value. The cost of manufactured inventories include direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenses.

c. Property, Plant and Equipment.

All property, plant and equipment except for freehold land and buildings are initially measured at cost and are depreciated over their useful lives on a straight-line basis. Depreciation commences from the time the asset is available for the intended use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount. Freehold land and buildings are carried at their recoverable amounts, based on periodic, but at least triennial, valuations by the directors. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the asset's employment and subsequent disposal. The expected net cash flows have not been discounted determining recoverable amounts.

d. Goodwill

Goodwill is initially measured at the amount by which the purchase price for a business combination exceeds the fair value attributed to the interest in the net fair value of identifiable assets, liabilities and contingent liabilities acquired at date of acquisition.

Goodwill is subsequently measured at cost less any impairment losses.

Goodwill is subject to impairment testing when the directors consider that there is objective evidence the business has been impaired. Impairment losses are calculated based on the directors' assessment of the business's recoverable amount. Recoverable amount is assessed on the basis of the expected net cash flows that will be received from the asset's employment and subsequent disposal. The expected net cash flows have not been discounted in determining the recoverable amount.

Gains and losses on the disposal of a business include the carrying amount of goodwill relating to the business sold.

The accompanying notes form part of these financial statements.
These statements should be read in conjunction with the compilation report of

NOTES TO THE FINANCIAL STATEMENTS

For the Year ended 30 June 2019

e. Trade and Other Receivables

Trade receivables are recognised initially at cost and are subsequently measured at cost less any provision for impairment. Most sales are made on the basis of normal credit terms and are not subject to interest. Where credit is extended beyond normal credit terms and is more than 12 months, receivables are discounted to their present value.

At the end of each reporting period, the carrying amounts of trade and other receivables are reviewed to determine whether there is any objective evidence that the amounts are not recoverable. A provision for impairment is established when there is objective evidence that the company will not be able to collect all amounts due according to the original terms of the receivables.

Other receivables include loans granted by the company and are discounted to present values using the interest rate inherent in the loan.

f. Investments

Investments include equity securities (ie shares) of listed and unlisted entities. The company recognises and measures these investments at cost less any accumulated impairment losses.

g. Impairment of Assets

At the end of each reporting period, property, plant and equipment, intangible assets and investments are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. The recoverable amount is the higher of the asset's fair value less costs to sell and the present value of the asset's future cash flows discounted at the expected rate of return. If the estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount and an impairment loss is recognised immediately in profit or loss.

h. Trade and Other Payables

Trade and other payables represent the liabilities for goods and services received by the company that remain unpaid at the end of the reporting period. Trade payables are recognised at their transaction price. They are subject to normal credit terms (30-60 days) and do not bear interest.

i. Provisions

Provision is made for the company's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits have been measured at the nominal amounts expected to be paid when the liability is settled, plus any related on-costs. Both annual leave and long service leave are recognised within the provisions liability.

j. Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the balance sheet.

k. Revenue and Other Income

Revenue is measured at the value of consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

The accompanying notes form part of these financial statements.

NOTES TO THE FINANCIAL STATEMENTS

For the Year ended 30 June 2019

Revenue recognition relating to the provision of services is determined with reference to the stage of completion of the transaction at the end of the reporting period and where the outcome of the contract can be estimated reliably. Stage of completion is determined with reference to the services performed to date as a percentage of the total anticipated services to be performed. Where the outcome cannot be estimated reliably, revenue is recognised only to the extent that related expenditure is recoverable.

All revenue is stated net of the amount of goods and services tax.

I. Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amounts of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office (ATO), in which case the GST recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the balance sheet.

COMPILATION REPORT

TO: RETAIL INFORMATION SYSTEMS PTY LTD

We have compiled the accompanying special purpose financial statements of RETAIL INFORMATION SYSTEMS PTY LTD, which comprise the statement of financial position as at 30 June 2019, statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, a summary of significant accounting policies and other explanatory notes. The specific purpose for which the special purpose financial statements have been prepared is set out in Note 1 to the financial statements.

The Responsibility of the Directors

The Directors of RETAIL INFORMATION SYSTEMS PTY LTD are solely responsible for the information contained in the special purpose financial statements, the reliability, accuracy and completeness of the information and for the determination that the financial reporting framework used is appropriate to meet their needs and for the purpose that the financial statements were prepared.

Our Responsibility

On the basis of information provided by the Directors, we have compiled the accompanying special purpose financial statements in accordance with financial reporting framework as described in Note 1 to the financial statements and APES 315: Compilation of Financial Information.

We have applied our expertise in accounting and financial reporting to compile these financial statements in accordance with the financial reporting framework described in Note 1 to the financial statements. We have complied with the relevant ethical requirements of APES 110: Code of Ethics for Professional Accountants.

Assurance Disclaimer

Since the compilation engagement is not an assurance engagement, we are not required to verify the reliability, accuracy or completeness of the information provided to us by management to compile these financial statements. Accordingly, we do not express an audit opinion or a review conclusion on these financial statements.

The special purpose financial statements were compiled exclusively for the benefit of the Directors who are responsible for the reliability, accuracy and completeness of the information used to compile them. We do not accept responsibility for the contents of the special purpose financial statements.
